RECOMMENDATION FORM FOR YOUTHLINC UTAH YOUNG
HUMANITARIAN APPLICANTS

Dear Recommender:

The student giving you this recommendation form is applying for a \$5,000 college scholarship that rewards young individuals who excel in giving back to their communities. This individual must be enrolled in a Utah high school, college, or university. Only individuals who have actively supervised students in their service activities should complete this recommendation.

For the purposes of this award, we are using the following definition of service: unpaid volunteer efforts which contribute to the well being of genuinely needy individuals or communities, service motivated primarily by selfless intent and desire to help others. Though there is value in brief service efforts with many different needy populations, sustained and focused service efforts will be considered more meaningful. Utah's Young Humanitarians are service leaders who undertake successful projects, working with others to achieve meaningful results.

Thank you very much for telling us what you know about this student that would qualify him or her as an outstanding young humanitarian. Please indicate how long you have known this student, in what capacity, and please give specific examples of actions you have seen this student undertake that are evidence of his or her service ethic, commitment, and leadership.

Please type your recommendation on letterhead, if appropriate, seal your letter in an envelope with this form, and sign your name across the seal. Give your envelope to the student to mail in with his or her application.

DEADLINE AND QUALIFICATIONS

The deadline for receipt (not postmark) of all parts of all applications is March 21, 2012. No incomplete, late, faxed or e-mailed applications will be considered. We hope you have received this form in a timely manner and can assist the student in providing this recommendation as part of his or her application.
