

YES, WE'RE INTERESTED IN "HELPING LOCALLY TO HELP GLOBALLY."

Youthlinc is a Utah-based not-for-profit organization dedicated to creating life-time humanitarians. We provide intense local and international service opportunities for Utah young people. Through local service, student participants earn a sponsorship which partially offsets the cost of international service. My contribution towards this participant provides additional financial support. I also understand that professionals participate in Youthlinc programs as mentors for students, and that these professionals are responsible for paying their own way. Visit our web site www.youthlinc.org
