Mural Planning Worksheet

The mural is a collaborative art project created with the community. It should reflect shared values, local culture, and partnership. A mural is not something we “leave behind,” but something we create together.

The goal is collaboration, respect, and meaning, not artistic perfection.

Confirm Mural Approval

Before planning anything, confirm:

- A mural is approved for this site
- Location has been confirmed
- Community leaders support the idea
- Wall condition has been discussed

Mural Location: _____

Who approved this project? _____

Choose a Meaningful Theme

The mural theme should reflect:

- Community values
- Local culture or environment
- Shared partnership
- Education, growth, unity, or hope

Proposed Theme:

Why this theme?

Does this theme reflect the community voice?

- Yes
- Needs adjustment

Design Plan

The mural design should include meaningful images, symbols, or elements that represent both the local community and Youthlinc. This may include local nature, cultural symbols, important values, education themes, or shared ideas like unity, growth, service, or connection. The goal is to visually reflect partnership, not just the visiting team. The design should clearly include the word "Youthlinc" somewhere within the mural in a way that feels integrated and respectful to the overall artwork.

Keep the design:

- Simple
- Bold
- Easy to paint
- Something everyone can help with
- Possible to complete in the time allowed

Sketch approved?

- Yes
- Not yet

Who will be taking the lead on the mural? _____

Has the design been approved by:

- Team Leader
- In Country Coordinator
- Community Leader
