Youthlinc is a Utah based 501c3 not-for-profit organization dedicated to creating lifetime humanitarians. We provide intense local and international service opportunities for Utah young people. Through local service, student participants earn a sponsorship which partially offsets the cost of international service. Adult professionals participate as mentors for students, and are responsible for paying their own way. For more information about Youthlinc visit our website www.youthlinc.org. Tax ID # 87-0678393
